

Essential Requirements *Beginning July 2018*

An organization must adhere to the Essential Requirements to become and remain a Parents as Teachers affiliate. New affiliates' program design for meeting these requirements is demonstrated through the Affiliate Plan. Data that addresses these requirements is reported annually on the Affiliate Performance Report (APR). These requirements represent the minimum or maximum levels needed for model fidelity. Additional resources such as the *Model Implementation Guide*, the Quality Standards, and TA Briefs provide guidance and best practices recommendations for high-quality replication of the Parents as Teachers model.

Essential Requirements	Measurement criteria

2. The minimum qualifications for parent educators are a high school diploma or equivalency and two years' previous supervised work experience with young children and/or parents.	100% of an affiliate's parent educators have at least a high school diploma, GED, or equivalent degree in countries outside the United States.
3. Each affiliate has an advisory committee that meets at least every six months. 4. Each month, parent educators working more than .5 FTE participate in a minimum of two hours of individual reflective supervision and a minimum of two hours of staff meetings and parent educators working .5 FTE or less participate in a minimum of one hour of reflective supervision and two hours of staff meetings. <i>In order to support high-quality services to families, this requirement includes supervisors who carry a caseload.</i>	On average, parent educators working more than .5 FTE and supervisors that carry a caseload equivalent to more than .5 FTE received at least 75% of the required individual reflective supervision hours per month (at least 1.5 hours per month). On average, parent educators working .5 FTE or less and supervisors who carry a caseload equivalent to .5 FTE or less received at least 75% of the required individual reflective supervision hours per month (at least .75 hours per month). At least 18 hours of staff meetings occurred during the program year covered by the most recent APR.
